

Shadan Institute of Medical Sciences, Teaching Hospital & Research Centre.

Himayathsagar Road, Hyderabad.

List of Continuous Medical Education (CME's) conducted in the year 2012 in Shadan Institute of Medical Sciences, Teaching Hospital & Research Centre.

January 2012	01-01-2012	Paediatrics	1. Developmental Delays / Disorders – Early intervention in Children. 2. Neurological Aspects in Pediatrics Practice.	Paediatrics
				Obst / Gynec
				Medicine
				Community Medicine
				Psychiatry
	15-01-2012	Pharmacology	1. Phosphodiesterase inhibitors – clinical importance. 2. HPLC and its application.	Pharmacology
				Medicine
				Biochemistry
February 2012	19-02-2012	Ophthalmology	1. Thyroid Ophthalmology. 2. Management of Proptosis.	Ophthalmology
				General Surgery
				Medicine
				ENT
	26-02-2012	Microbiology	1. CSSD.	Microbiology
				Anaesthesia
				Surgery
March 2012	11-03-2012	Pathology	1. IHC in the Diagnosis of STTs. 2. Clinical Aspects & Management of the Soft Tissue Tumors STTs.	Ophthalmology
				Pathology
				Surgery
				Medicine
	25-03-2012	Pulmonology	1. Occupational Pulmonology. 2. Airborne Infection Control.	DVL
				Pulmonology
				Medicine
				Microbiology
				Community Medicine
				Paediatrics

Shadan Institute of Medical Sciences, Teaching Hospital & Research Centre.

Himayathsagar Road, Hyderabad.

April 2012	22-04-2012	Community Medicine	1. Clinical Manifestations and recent challenges in TB. 2. M.D.T/ and schedule of Drugs.	Pulmonology
				Community Medicine
				Microbiology
				Medicine
				Pathology
				Pharmacology
	29-04-2012	Anatomy	1. Clinical Manifestations and management of Lesions of Basal Ganglia. 2. Effects of exercise neurophysiology and related diseases.	Anatomy
				Physiology
				Medicine
				Pharmacology
May 2012	26-05-2012	General Surgery	1. Anatomy of Pancreas. 2. Pancreatitis & its complications.	Surgery
				Anatomy
				Biochemistry
				Medicine
				Pathology
June 2012	10-06-2012	Anaesthesia	1. Principles of Paediatrics Anaesthesia. 2. COPD.	Anaesthesia
				Paediatrics
				TB & Chest
				Medicine
July 2012	01-07-2012	Radiology	1. Advances in Radiology. 2. Imaging of Major tendons in the body – USG, MRI, ELASTOGRAPHY.	Radiology
				Orthopedics
				OBG
				Paediatrics
August 2012	12-08-2012	Orthopedics	1. Discussion of Long cases 1) Hip case 2) Spine case. 2. Gait.	Orthopedics
				Physiology
				Surgery
				Physiotherapy
September 2012	16-09-2012	Biochemistry	1. Disorders of Acid balance. 2. Clinical interpretation of Acid base balance.	Biochemistry
				Medicine
				Physiology / Surgery
				TB & Chest

Shadan Institute of Medical Sciences, Teaching Hospital & Research Centre.

Himayathsagar Road, Hyderabad.

October 2012	21-10-2012	General Medicine	1. Recent Advances in Rheumatoid Arthritis Management Discussion. 2. Hypertensive Crisis Discussion.	Medicine
				Orthopedics
				Pathology
				Community Medicine
November 2012	11-11-2012	Dermatology	1. Melasma Newer Chemical Peels. 2. Clinical Presentation of STDs and Management HIV coinfections.	Dermatology
				Medicine
				Microbiology
				Community Medicine
December 2012	23-12-2012	OBST / GYN	1. Clinical Snippets. 2. Clinical Anatomy.	Obst / Gyn
				Paediatrics
				TB & Chest
				Surgery
	30-12-2012	ENT	1. Middle Ear Space 2. Surgical Management of Congenital Deafness.	ENT
				Surgery
				Radiology
